

CNS-Express

Connect Network Service Inc. is a fully integrated logistics operation based out of Walnut, Los Angeles, CA 91789

offered Customs brokerage, warehousing and third party trucking logistics within the U.S.A, Canada and parts of Mexico.

Our world-class services are available anywhere in the world. We specialize in:

- Customs Brokerage

- Freight Forwarding

- Warehouse and Distribution Operations

CNS is an innovative and enthusiastic logistics company dedicated to giving customers the specialized service they deserve while managing their international or domestic shipping needs. Your freight shipping questions are our freight shipping solutions.

No matter how much freight you need to move or where you need to move it, our exclusive suite of shipping solutions make it simple. Whether it's truckload (TL), less than truckload (LTL freight), expedited LTL or intermodal, CNS Express is your freight shipping solution.

Along With our expert US Customs brokerage department, CNS Express Inc can also handle your global logistics needs. We can export cargo on a global level or even handle a simple pallet move via LTL or full truck load for any of your domestic shipping needs. Whether your shipping by air freight, ocean freight, rail, or truck, our international logistics team will be the perfect fit for your international logistics needs. So when your company needs a customs broker, Worldwide Express Inc. should always be your first choice.
